Kathleen Connell, Esq., a member of the Georgia Commission on Child Support, chairs the Parenting Time Deviation Study Committee. This Study Committee consists of 17 members made up of attorneys, judges, staff of the Division of Child Support Services (DCSS), Legal Aid attorneys, and members of the public.

The purpose of this meeting is to continue discussions on the study of the current parenting time deviation in Georgia's Child Support Guidelines statute, O.C.G.A. 19-6-15(g) and O.C.G.A. 19-6-15(i)(2)(K), on whether the Child Support Commission should consider and recommend a change to parenting time in the guidelines statute through legislation that could be filed at a future date with the Georgia General Assembly. This study committee was initiated by the Child Support Commission in November 2018 for a two-year period, and on December 4, 2020, extended through December 2021, and on December 10, 2021, extended again through no later than April 30, 2022.
