Wednesday, October 14, 2025
9:00 a.m.**

Meeting Summary

The Economic Subcommittee (“Subcommittee”) of the Georgia Child Support Commission (“Commission”) held this meeting virtually via Zoom. Three (3) Subcommittee members attended the meeting. The Subcommittee members in attendance were:

Dr. Roger Tutterow, Chair Charles “Chuck” Clay Jill Massey

Program Manager, Kurt Bryan, Staff Attorney, JoAnna Deering, and Program Coordinator, Lazaro Quintanilla, served as staff for this meeting. No members of the public attended this open meeting.

Dr. Roger Tutterow called the meeting to order at 9:00 a.m., noting that a quorum was met with three (3) of the three (3) Subcommittee members in attendance. Dr. Tutterow proposed that the Subcommittee vote on the drafted minutes from the 06/12/25 meeting. Chuck Clay moved to approve the minutes, and Jill Massey seconded the motion. The Subcommittee voted unanimously to approve the minutes.

Dr. Tutterow then presented the 2026 Economic Report. The study was based on a sample of 286 cases. In the future, the Subcommittee may wish to consider expanding the number of participating counties to increase the sample size. It is also important to note that the legislative changes resulting from Senate Bill 454 had not yet taken full effect during September and October 2025, the period from which the study data were collected. Ultimately, Dr. Tutterow confirmed that the study met all applicable federal and state requirements.

The findings of the Economic Report present the Commission with a policy decision regarding whether to update the Basic Child Support Obligation (BCSO) table. Dr. Tutterow noted that the recent data does not differ significantly from the data used in the most recent BCSO table update. Following discussion, the Commission did not make a decision regarding an update to the BCSO table. Instead, members agreed that the issue should be discussed further at the next Commission meeting scheduled for October 30, 2026. To assist with that discussion, Commission staff was asked to provide information regarding the administrative burden of updating the BCSO table at the upcoming Commission meeting. Dr. Tutterow then moved that Commission staff distribute the Economic Report to all Commission members for their review in advance of the October 30, 2026, meeting, at which time the Commission will consider whether an update to the BCSO table is warranted. Jill Massey seconded the motion, and the motion passed unanimously.

The meeting adjourned at 9:23 a.m.
