This Work Group was authorized by the Commission during its meeting on December 4, 2020, as the result of a recommendation from the Low-Income Deviation Study Committee. This Work Group consists of 12 members made up of attorneys, staff of the Division of Child Support Services (DCSS), Legal Aid attorneys, and members of the public.

The purpose of this meeting is to continue discussions on how, if at all, to improve the functionality of the Low-Income Deviation section of Georgia’s Child Support Calculator found on Schedule E. This Work Group is concerned with making that part of the Child Support Calculator more user-friendly as well as improving and simplifying instructions in compliance with O.C.G.A. 19-6-15(i)(2)(B).
